Letter of Support

11 December 2024

To whom it may concern,

I am writing to express my support for Brian Montgomery's *The Play* to bring the Talent Quest to the local suburbs of Clarkson, Mindarie, Quinns Rocks, and Kinross.

I understand *The Play* focuses on many issues facing students today, including mental health, cyberbullying, discrimination and building resilience. *The Play* will provide an outlet for students to act in roles surrounding these issues, in turn increasing their awareness of these issues and how to empower themselves.

I would like to express my support to Brian Montgomery in his enthusiasm to engage the community in *The Play* and wish him success in the future.

Kind regards

Mark Folkard MLA
