**Dear Mr. Brian Montgomery,**

**Re: Subject: Official Endorsement – The Landing Alkimos Supporting WA’s Youth Through the Arts**

On behalf of **The Landing Alkimos**, we are delighted to officially support your **Talent Shows, Showcase Tour, and THE PLAY© Musical** by hosting the upcoming talent shows on **Monday, 24th February, and Tuesday, 25th February 2025**.

We wholeheartedly recognise the **incredible work you are doing to empower youth and strengthen the community** across the northern suburbs. Your initiative provides young people with **a platform to shine, express themselves, and develop essential life skills through the arts**, and we are proud to be part of this inspiring movement.

The Landing Alkimos is committed to fostering creativity, opportunity, and inclusion for the youth and communities where we work, and we look forward to working together to **support and showcase the next generation of young talent**.

We can’t wait to see the impact these events will have, and we are excited to be on board for this important journey.

**Best regards,**

**Natalie Holmes**
