Dear Brian,

RE: Letter of Support – THE PLAY Musical and Regional Talent Shows

On behalf of the City of Mandurah, I am pleased to express our support for your initiative, THE PLAY Musical and regional talent shows.

We commend your dedication to addressing vital challenges such as domestic violence, bullying, racism, mental health struggles, and other pressing issues affecting today's youth. By providing a creative and inclusive platform, your initiative not only empowers young people but also fosters a stronger sense of community and belonging.

The proposed Talent Show, offers a transformative opportunity for young individuals to express themselves, develop leadership skills, and gain valuable experience in the arts. These efforts are particularly impactful given their emphasis on meaningful storytelling that reflects and resonates with our diverse local communities.

I look forward to seeing your vision come to life.

Yours sincerely,
